

**SURREY
CRICKET
FOUNDATION**
Registered Charity No: 118770

5 YEAR VISION

Chertsey Cricket club is focused on continuing to progress our Senior Playing sides through their league structures , we want to remain open to encourage players at all levels and to ensure that we offer exceptional facilities that are accessible and affordable across our community. We are open to expand to 5 regular Saturday teams as our membership base grows.

We anticipate continued growth in Junior, Ladies and Girls cricket, through dedicated coaching, facility improvement and an invested network into our local schools and community.

Our ground remains a precious asset, and we will look to invest in its improvement in line with league progression. We continue to be laser focused on facility improvement with Club House and bar area improvement. We are also looking to forward our green agenda looking at the use of Solar panels and investigating heat pumps as potential efficiencies for future generations of club members.

PLAYERS

- *Promote Junior, ladies and girl’s cricket across our local community – engaging across the education sector and active use of social media.
- *Use our CPL competition to showcase our club to available senior players.
- *Senior and Colt professional Coaching budget
- *Genet Social league continues to act as an introduction to our club at a community level

PEOPLE

- *Continue to attract players, non- players, ladies and senior Youth players to attend committee and build their future clu , encouraging early engagement and support.
- *Subsidise training for Coach, CSW and first aid to enable our volunteer section to expand.

FACILITIES

- *Investigate the upgrade of our Club House social, and bar area.
- *Review the club’s suitability for Solar Panels to reduce our carbon footprint supporting our next generation of cricket players.
- *Partnership with local school around their Green Space / sports fields to identify additional capacity for Junior Cricket.

OTHER

- Longer term plans would include
- *Remedial work on the “out ground “
 - *Far Net impact from tree roots
 - *Patio expansion and furniture.
 - *Car park improvement for possible Hire / Revenue
 - *Expansion of the club to accommodate umpires changing rooms
 - *Relocation of Scoreboard.
 - *Ground equipment and storage capacity.
 - *Gates and Signage
 - *Bar Store
