

PARENTS, GUARDIANS & SPECTATORS

Parents, guardians, and spectators have an important role to play in helping foster and develop a love for the game in our young cricketers. You should work with the team manager and coaches to reinforce the key messages delivered by them and should set a positive example to everyone around you at all times with your own behaviours.

SPIRIT

- Seek out and embrace shared codes of conduct issued by different clubs.
- Model best practice by always thanking officials, cricket staff and hosts.
- Create a positive atmosphere by your own conduct and encourage others to do the same.

INCLUSION

- Develop friendships with a wide group of spectators and parents.
- Encourage and congratulate players from both teams.
- Recognise and celebrate effort as well as performance.

ENJOYMENT

- Try to be a consistent voice of unconditional support; 'Whatever happens, I love to watch you play'.
- Understand and accept that performances and results will vary from game to game.
- **Let them play.** Steer away from technical overloads in the form of car journey coaching and boundary edge advice.
